Limited
time offer

If you have difficulty obtaining
“designated garbage bags”

You can dispose of your garbage
in bags other than the designated
garbage bags for burnable
and non-burnable waste.

Due to the recent situation in the Middle East, a shortage of “designated garbage bags” is expected.

Therefore, we will temporarily collect garbage that is placed in bags other than the “designated gar.”

We appreciate your understanding and cooperation.

Burnable waste / Non-burnable waste

Please use the designated garbage bags as a general rule.

If it is difficult to obtain the designated garbage bags, you may use the following bags to dispose of your garbage.

○ usable garbage bags

Transparent bag that allows you to see the contents.

A semi-transparent bag that allows you to see the contents.

A white bag that is transparent so you can see what's inside.

Point

- Plastic or vinyl is OK
- Bags with printed text or designs are also acceptable.
- Sizes are generally 17L to 45L
- Any thickness of bag is OK
- When disposing of the bag, please tie the opening to seal it

× Unusable garbage bags

Bags with gaps or holes that could allow moisture to seep out.

opaque bag.

Point

Cardboard, paper, and other non-plastic bags.

- Garbage spills out from inside / Moisture seeps in Items are not allowed.
- Items whose contents cannot be seen are not allowed.
- Materials other than vinyl are not allowed.

Please understand and cooperate.
